**Bogota, March 29, 2017**

First came the start of our operations, then, great sales with Cool Prices and *Feria Wingo* and, then again, we announced our new Cartagena-Panama flight. Now, as if that were not enough, we take off bound to our new destination: Caracas. Phew! All that in just 4 months!

That's right! We want to share such good news today. You can now travel to Caracas with us, starting April 7.

*"Launching a new route is always a great reason to celebrate at Wingo. After wrapping up some details to ensure that our product continues to fulfill our travelers' expectations, we want to make this announcement today",* stated Catalina Bretón, Wingo's General Leader. *"We want Venezuelans living in our country to feel closer to their homeland, and also more Colombians to discover the Wingo side of Caracas. Plus, Caracas is a very important business destination in the region".*

*According to data provided by Colombian Immigration Authorities, 1,260,957 Venezuelans entered Colombia during 2013-2016, so we want them to visit their country, and we want many more Venezuelans to visit Colombia, as well.*
